Insider Secrets To Cheap Flights, Hotel Reservations and Car Rentals - Extremely Cheap Flights

The airlines fired me for a shocking and bogus reason so I decided to spill my guts and reveal to you...

After you grab my guide full of insider travel secrets you will be shocked to see how easy it is to get the airfare you need for dirt cheap. The airlines are desperate to keep their confidential information out of your hands...

October 2011: Upon completing this guide, I have received threatening emails, with demands that this information not be brought to light. My site has also been "crawled" by airline computers looking for anything to use against me. Trust me when I say that I will fight to make this controversial information available to you as long as I am legally able to.

It doesn't matter if you call on the phone, go to a discount travel site or even use a local travel agent, the whole airline reservation system is designed to squeeze the most money out of you as possible.

The airlines work tirelessly to come up with new ways to rip you off. The schemes they use to shake people down would fit right in with organized crime.

With so many new fees, horrible customer service and no extras you are now paying way more for way less. Now they even want you to pay for your freaking bags to come with you!

I worked my butt off for my company for 9 years. I always did my best to be a "good employee". Those jerks even sent me to a leadership conference two months before they fired me for no good reason (later I did find out the real reason which I'll tell you about in a bit).

I'll never forget that spring day. I went to lunch at my favorite BBQ joint, and when I...
